CONCEPT MOCK-UP – NOT FOR DISTRIBUTION

Product A launch story: storyboard

Every scene and state of the Veeva CLM slide ProductA_LaunchStory, captured at 1024 × 768 (iPad landscape), for review alongside the HTML package. Figures and dates are placeholders.

Recommended modules by stakeholder and engagement

STAKEHOLDER	PROACTIVE INTRODUCTION	FORMULARY PREPARATION	REACTIVE ENQUIRY	IMPLEMENTATION PLANNING
ICB commissioner	Core + Mini value proposition	Core + Patient population and pathway + Mini value proposition	Core + FAQs	Core + Implementation checklist + Patient population and pathway
Formulary pharmacist	Core + Patient population and pathway	Core + Formulary and prescribing + FAQs	Core + FAQs	Core + Implementation checklist + Drug tariffs and pharmacy
Finance and procurement	Core + Mini value proposition	Core + Drug tariffs and pharmacy + Mini value proposition	Core + FAQs	Core + Drug tariffs and pharmacy + Implementation checklist
Clinical lead	Core + Patient population and pathway	Core + Patient population and pathway + Formulary and prescribing	Core + FAQs	Core + Implementation checklist
Trust pharmacy	Core + Drug tariffs and pharmacy	Core + Formulary and prescribing + Drug tariffs and pharmacy	Core + FAQs	Core + Implementation checklist + Drug tariffs and pharmacy

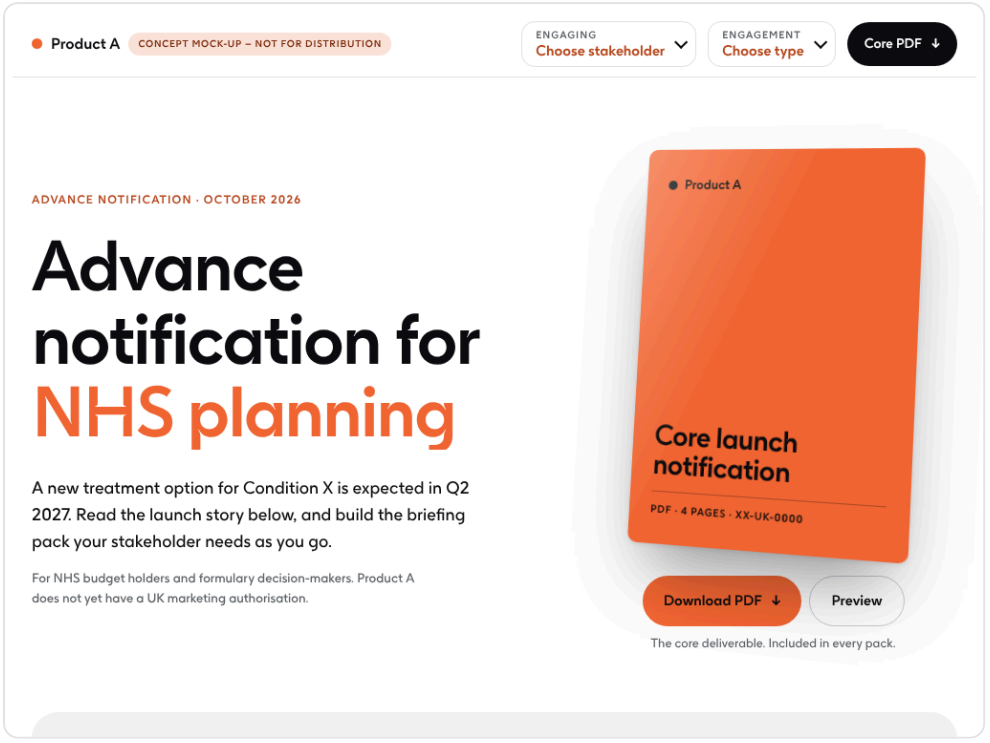

Users can add or remove any module. Changing the selection recalculates recommendations; modules the user added themselves are kept.

Chapter order by stakeholder

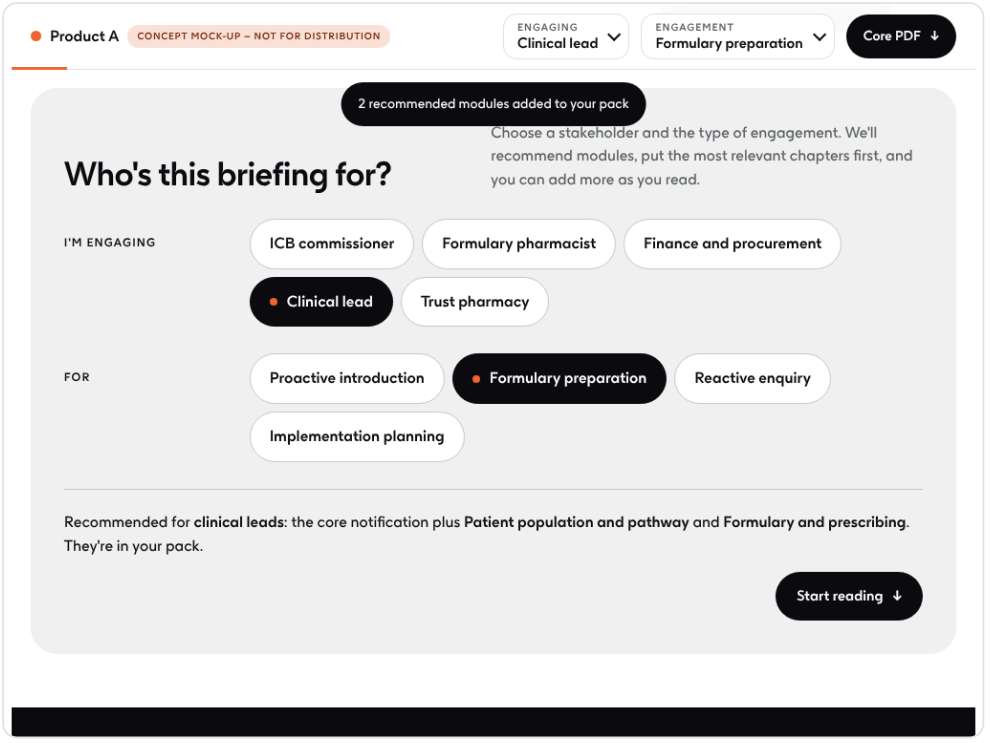

STAKEHOLDER	01	02	03	04	05	06
None chosen	What's coming	Who it's for	Where it fits	Cost and supply	Planned transition	What happens next
ICB commissioner	What's coming	Who it's for ★	Cost and supply ★	Where it fits	Planned transition	What happens next
Formulary pharmacist	What's coming	Where it fits ★	Who it's for ★	Cost and supply	Planned transition	What happens next
Finance and procurement	What's coming	Cost and supply ★	Who it's for ★	Where it fits	Planned transition	What happens next
Clinical lead	What's coming	Who it's for ★	Planned transition ★	Where it fits	Cost and supply	What happens next
Trust pharmacy	What's coming	Cost and supply ★	Planned transition ★	Where it fits	Who it's for	What happens next

★ Tagged “Key for …” for that stakeholder. Chapter wording is identical for every stakeholder; only order and tags change.
